Dear Attorney David Dutremble,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Dangelo Drayton to be punished to the fullest extent of the law for throwing a small dog into a tree in a fit of anger. Animal Victory talked with Richard Waring the Assistant Solicitor in Charleston who was on the case prior in 2020. It's our understanding that Mr. Drayton has been sentenced for multiple unrelated crimes, and he is currently in prison for those charges.

We are writing today to ask for an update on the case against Dangelo Drayton so that we can inform **over 7600 people** who signed the petition asking for the maximum punishment for this animal abuse crime he committed.

It is our understanding that you are the attorney working on the case. If this is not the case, would you kindly put us in the right direction so we can follow-up accordingly?

We look forward to hearing back from you. Thank you for your time.
