Sign a Petition. Save an Animal.

November 4, 2020

Dear Mayor Stimpson and Chief Battiste,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for the owner of a dog named Tazi, to be arrested for the cruel neglect with caused this dog's death. It is our understanding that Tazi was left tethered to a chain on property located at 2462 Richardson Street in Mobile, Alabama.

Though the cruel situation was reported to animal control, **nothing was done** to save this dog's life; Tazi was abandoned on the end of a chain, alone and suffering, until he withered away and died. **Over 19,000 people have signed our petition** (please see attached pdf as well as link below for signatures and comments) asking for a full investigation into this horrendous situation. The person responsible for Tazi's death should be arrested, charged, and punished for his untimely and senseless death.

We and the supporters of this petition are taking this case very seriously and will follow-up accordingly. Thank you in advance for your time.

With gratitude,

Janelle Babington and Penny Eims
