*Sign a Petition. Save an Animal.*

November 16, 2020

Dear Mayor Stimpson and Chief Battiste,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. Two weeks ago we submitted our petition to you with **over 19,000 signatures** from people who want to see the owner of a dog named Tazi, punished for leaving him to suffer and die on the end of a chain in Mobile, Alabama. Today we are sending you over **19,000 signatures**.

We have yet to hear back from you regarding this important cruelty case and implore you to update us (and those who signed) about the progress of this investigation. Tazi suffered an agonizing death because of his owner, who we are told is Marcus E. Kyles.

This is a sickening situation which deserves a full investigation and charges. Is there an investigation? **We will continue to follow up on this case until we receive answers.**

Sincerely,

Janelle Babington and Penny Eims
