*Sign a Petition. Save an Animal.*

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. Attached you will find a petition which we created after learning that 13-year-old James William Basener had tortured a neighbor's cat, ultimately killing the feline after inflicting unimaginable pain and causing extreme suffering.

We, and our supporters, are disturbed by the depravity which Basener exhibited, and we want to ensure that he does not fall through the cracks and reoffend in the future. We hope to see this teenager receive a full psychiatric evaluation, counseling, and time in juvenile detention. It is well documented that violent crime perpetrators have a history of animal cruelty in their profiles, and we are hopeful that this young man will receive the guidance and counseling necessary to get him on a better path.

We are hopeful you will find our petition useful, and we thank you for your hard work on this case. We look forward to a favorable update from your office.

Sincerely,

Janelle Babington and Penny Eims
