

PSA: We have NO AFFILIATION with "Sentinel Canine Services."

I, H. Lee Robinson, of American Sentinel K9, LLC have NO AFFILIATION with alleged animal abuser Jeff McArthur of Sentinel Canine Services in Alabama. We are two completely unrelated businesses. I have never done business with him, never met him, and have never even spoke with him.

A couple years ago I heard of a new canine business in Alabama going by the name "Sentinel Canine." When I heard of it, I was disappointed because I felt they were trying to use our name to ride our coattails, as we have been around since 2001, and our business is "American Sentinel K9, LLC."

Again, we have NO AFFILIATION with that business or its owner, Jeff McArthur.

Jeff McArthur & his business "Sentinel Canine Services" is on Oakdale Rd in Alpine, Alabama.

His Facebook page was taken down, but was... <https://www.facebook.com/p/Sentinel-Canine-100083768644885/>

His business page was also taken down, but was... <https://sentinelcanineservices.com/>

I understand he also had/has Instagram and Tic/Toc.

I am H. Lee Robinson

My business is American Sentinel K9, LLC.

We are in Brandon, Mississippi.

My website is... <http://AmericanBandog.com>

We are confident the proper authorities will address their cruel and abusive actions, but in the meantime, please do not confuse us with them. We love our animals and condemn their actions to the highest degree.

Thank you.

Sincerely,

H. Lee Robinson
